

# Can You Help Solve the Crime?

Directions: Sharpen your student's listening skills by asking them to help solve a crime! Read the script below, while allowing them time to review their worksheets. When you finish the script, ask your students who the suspects are—who stole the necklace?

Eyewitnesses reported to the police that six people stole a diamond necklace. You are detectives, and it is your job to locate the six suspects based on the eyewitness descriptions. Label each suspect with their correct number, based on the description.

Suspect #1 is wearing sunglasses and a hat.

Suspect #2 has a mustache and is wearing a striped shirt.

Suspect #3 has two earrings and a polka dot hat.

Suspect #4 has glasses and an anchor tattoo.

Suspect #5 is wearing a checkered shirt and a hat.

Suspect #6 has facial hair and is wearing a polka dot shirt.
