

Disguise a Snowball

It's winter, and that means fun in the snow!
Share this poem with your little one(s) and see what
their imagination conjures up to disguise their snowball!

Snowball, snowball, soft and round,
A ball of glittering white is what I found.
This is more than just a snowball to me.
I'll show the world what else this snowball can be,
by turning it into something new with my creativity!

I am not a snowball!

I am a _____.
